Phone: 919-582-3400

Panel Website: <http://www.crpanel.org/>

Panel members will receive announcements/updates via email from the Community Resilience Panel

Community Resilience Panel

- Active participation in Panel provides opportunity to:
 - Improve resilience of buildings and infrastructure systems by recommending improvements to standards, guidelines, best practices, and other tools
 - Identify informative material and develop products for Resilience Knowledge Base
 - Resilience Knowledge Base is an online database that will be housed at www.CRPanel.org to distribute products developed by Panel to the public
 - Work across sectors to break down silos and develop guidance on solving problems from interdependencies
