**Director for Preparedness Policy**  
**National Security Council**  
**The White House**

# What is PPD-8?

- This policy directive from the President asks multiple Federal agencies to work together with the **whole community** to improve national preparedness
- It is aimed at “strengthening the security and resilience” of the United States through “systematic preparation for the threats that pose the greatest risk to the security of the nation.”
- Resilience refers to ‘the ability to adapt to changing conditions and withstand and rapidly recover from disruption due to emergencies’.

# PPD-8 Links a Range of National Efforts

# Current Efforts

- Leading the development of a taxonomy for how community resilience metrics, indicators, and standards are communicated by the Federal Government.
- Initial results include a baseline analysis and evaluation of 98 existing metrics, indicators, and standards.
- Mapped the existing metrics to the core capabilities – as an existing national standard
