Common Goals

- ***Decision Integration***
- ***Recovery Support***
 - What are the decisions that need to be made to build back better?
 - What questions should communities be asking?
 - Guidance for getting started in resilience planning and understanding risks
- ***Knowledge Gaps***
 - What tools and information are available?
 - What best practices/successes can be identified from recent disasters?
- ***Standards and Codes/Regulations/Best Practices***
 - What communities need to know?
 - How can minimum health safety and welfare requirements be enhanced?
